MADRAS

Respected Sir,

We the Muslims of Hospet beg to bring the following few lines to your kind consideration and favourable action.

We offer our hearty thanks to the Benevolent Republic Government of India for having introduced the "City Police Act" in Hospet for the maintenance of Public peace and tranquility ever since the order of the Premier of Madras to stop music before the mosque and the enforcement of the 'City Police Act' there is perfect harmony between the Hindus and muslims.

But it is regretable to learn that some of our Hindu brothers are making vigorous preparations to take a huge procession with music before the mosque on the 'Republic day' on 26th January 1951 wounding the religious feelings of muslim minority in defiance to the orders of the Premier of Madras and the City Police Act. We therefore most humbly pray protection of the lives of the Muslim minority, their faith, belief and worship under the 'constitution of India' by allowing the processio to be taken on a different route other than that of the mosque and by sending necessary police bundobust on 26th January 1951.

We beg to remain,
Respected Sir,
Your most obedient servants
X B. Sayad Abdul Khadir
